

Preparing to Present

Privileges of being a member of Volusia County Women Who Care (VCWWC) include the opportunity to nominate a qualified 501 (C) (3) for a quarterly drawing. At a quarterly meeting, if your nomination is drawn you will have ten minutes to present information about the organization you nominated and answer questions from the members.

Presenting is a privilege reserved for members only. Speak from your heart; describe your involvement, tell your story, and tell why this organization is important to you and why it is important to Volusia County!

VCWWC Members are welcome to invite staff representatives to assist in answering specific questions about the organization.

Below is a list of the type of information you might consider including in your presentation.

1. The Mission of the Organization
2. The relationship with the parent organization if relevant
3. The Specific Programs you wish funded and how the program serves Volusia County
4. How the funds will be used
5. How many will be served
6. The Annual Budget
