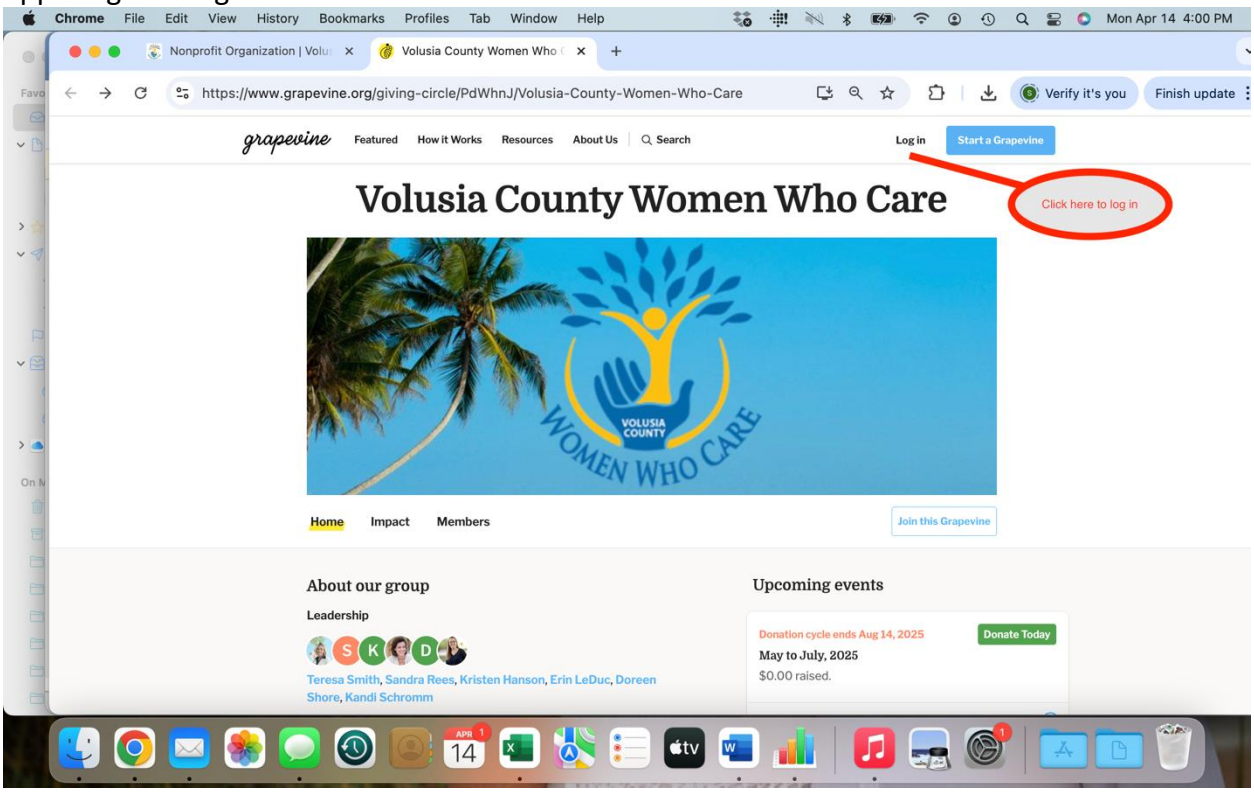
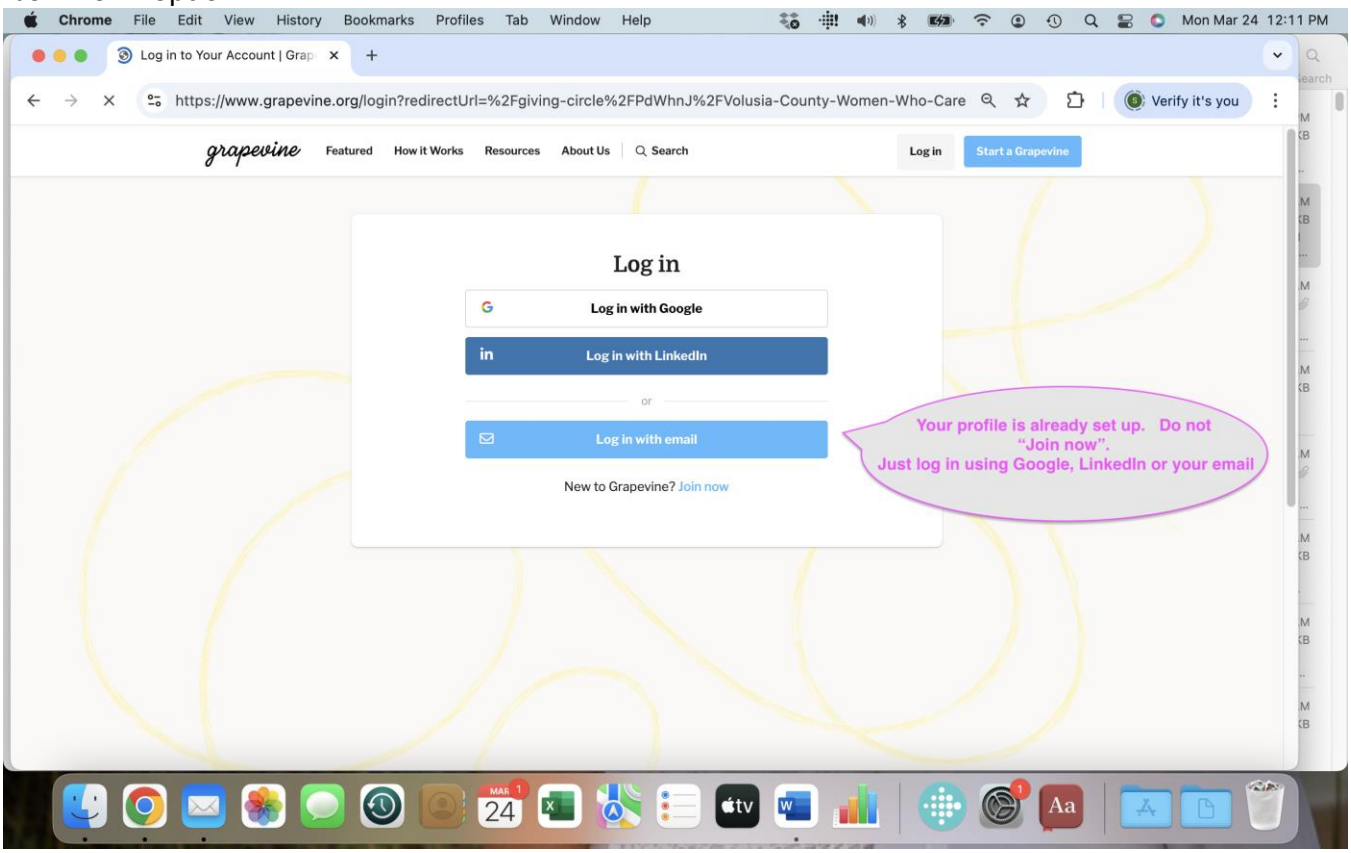
GRAPEVINE DONATION SETUP

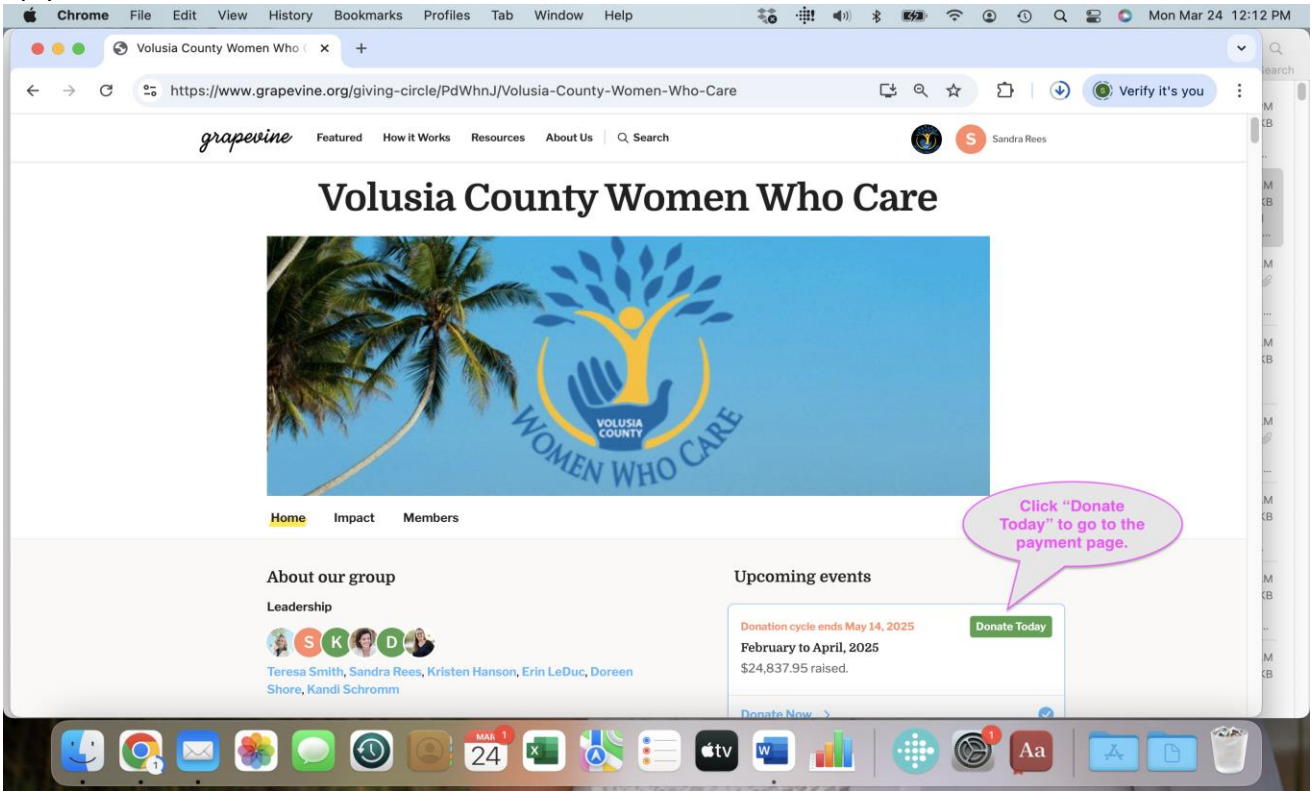
Go to: https://www.grapevine.org/giving-circle/PdWhnJ/Volusia-County-Women-Who-Care and click in the upper right to log in.



Then, log in using your email or other credentials. You already have a profile in Grapevine, so don't select the "Join now" option.



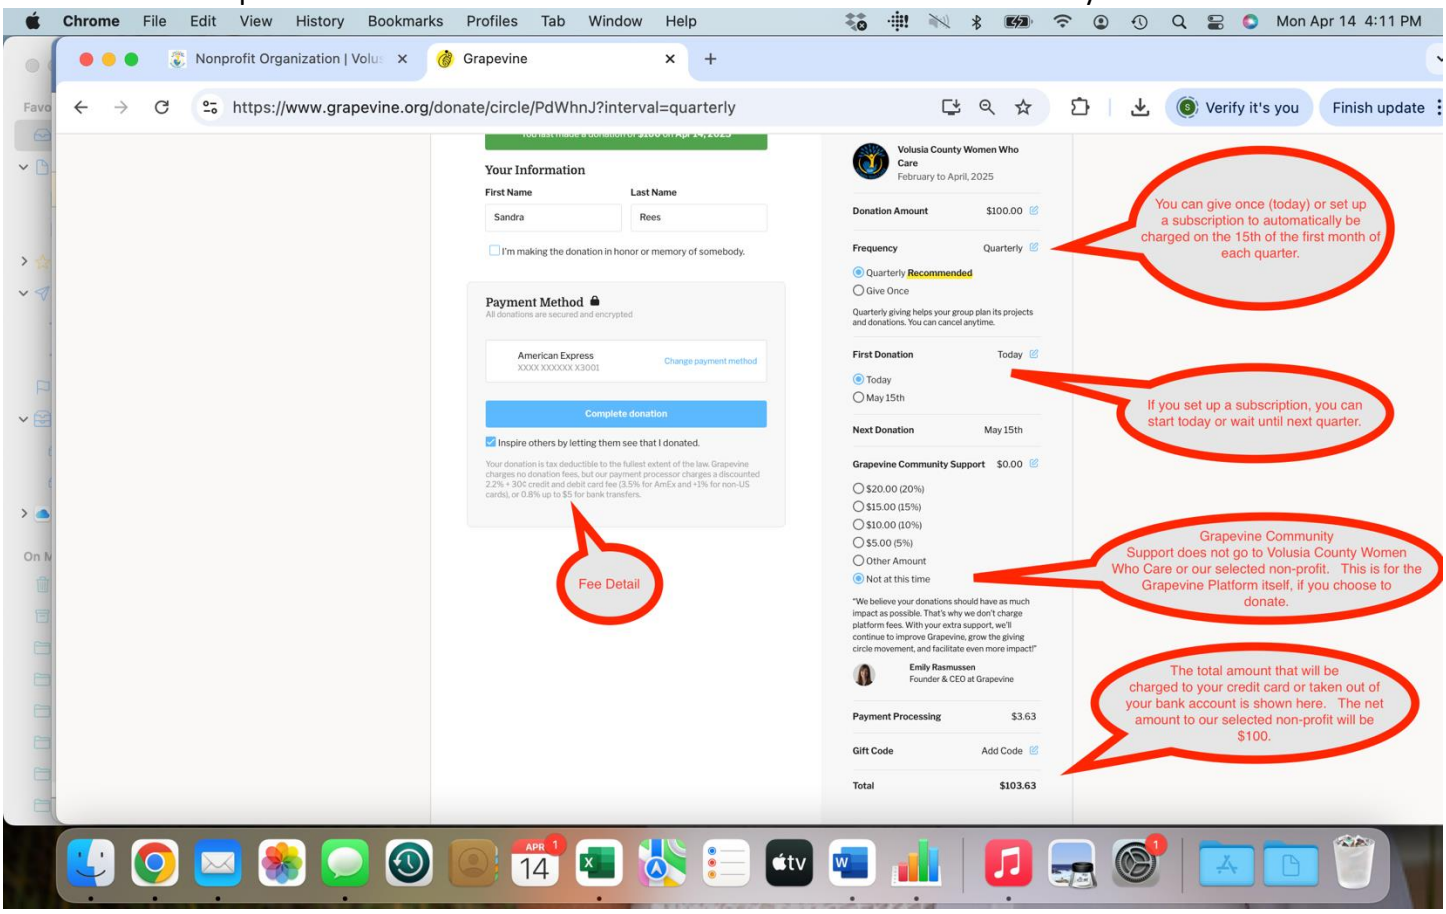
Once you log in, select the “Donate Today” green button to be taken to the donation page where you can set up your online donation.



You can then complete the screen with your payment preferences. You can use a credit card or have the donation take out of your bank account. A description of the fees is shown below the "Complete Donation" button.

Donations are made every quarter. If you set up a subscription, you can select your first donation to be "Donate Today" or select the 15th of the first month of the next donation cycle to start next quarter. This makes donating very convenient. You can also select to do a "Give once" and go in every quarter to make your donation.

There is an option to provide an additional donation for "Grapevine Support". This does not go to Volusia County Women Who Care or our selected non-profit; this goes to the Grapevine Platform itself. You can select an amount if you want to do this, or opt for "Not at this time".

A recap of the total amount being charged to your credit card or withdrawn from your bank account is displayed at the lower right.


Click "Complete donation" to finish. You can come back here and edit at any time.
