The Community Partner Impact Fund

- Making a Difference
- Amplifying Impact

The **Community Partner Impact Fund (CPIF)** ensures that every nonprofit presenting at a VCWWC quarterly meeting receives meaningful support. While one organization receives the **member-funded grant** of $30,000 or more, CPIF provides sustaining grants to the two nonprofits not selected—extending our impact and strengthening Volusia County's nonprofit safety net.

Volusia County Women Who Care (VCWWC) is an all-volunteer, women-led giving circle founded in 2017. At each quarterly meeting, three member-nominated nonprofits share their mission and impact. After member voting, the top-voted organization receives the member-funded grant, and the remaining two benefit from CPIF support.

Your contribution to CPIF helps amplify community impact, support vital services, and ensure no worthy cause goes unsupported.

Benefits	Visionaries Circle $10,000+	Leadership Circle $5,000	Stewards Circle $2,500+	Friends Circle $500+
